

Seva School Homework for Autumn 1st half-term

Autumn 1st half-term theme is: Pets and Vets

Year: 2

Classes: 2A and 2S

Information for parents/carers: Each week your child will be expected to pick one challenge from the three given in each subject area below. Over the course of a half term, your child will be expected to have completed six challenges altogether and these must be one from each subject area. Homework books will be expected in school every Wednesday and will be returned every Friday. MyMaths, Numbots/RockStars, Oxford Owl and MyON will be monitored by your child's class teacher weekly. If you have any questions regarding the homework, please speak to your child's class teacher for further information and support. Thank you.

Subject	Challenge 1	Challenge 2	Challenge 3
English:	Write a recount about a day in the holidays. Tell me all about what you did.	Write a character description for a member of your family. Don't forget to use a variety of adjectives to extend your sentences.	Non-fiction: Write a set of instructions on how to play an outdoor game or board game. Don't forget to include equipment in your 'What I need list'.
Reading:	Read for at least 5 minutes each night and record in the reading diary. Visit: https://www.oxfordowl.co.uk (Username: class1s2000 Password: Reading) https://www.myon.com/login/index.html (Children use their own logins)		
Maths	Make a poster of all the number bonds you can think of to 20. Here are a few examples to start you off, 10+10=20, 5+15=20, 11+9=20 and so on. How many can you think of?	Roll a dice and make up some addition and subtraction calculations to work out. You can do some simple 1 digit calculations such as 5+4=? or challenge yourself with a 2-digit calculation such as 12+11=?	Choose 10 2-digit numbers to partition into tens and ones. Use the part whole method to present your work. 
Online maths	https://login.mymaths.co.uk/login - complete one activity each week. https://ttrockstars.com/ or https://play.numbots.com/#/intro - complete 5 minutes daily. (At this stage of the year, most children are working on Numbots.)		
Science:	Getting a pet is a big responsibility. Choose one pet and make a list of all the things you would need. You could choose a cat dog, hamster or any pet of your choice. How would you care for your new pet?	Write a food diary of everything you eat on the weekend. Challenge yourself and identify which food groups each food comes from. This link may help: http://www.foodafactoflife.org.uk .	Find and list some examples of each of the following types of animals; birds, fish, reptiles, mammals and amphibians
RE:	Find out what a synagogue is and why it is important.	Make a list of 7 random acts of kindness, e.g. holding a door open for someone. Challenge yourself to surprise others with an act of kindness from your list every day.	What does God mean to you? Write some sentences or draw and label a picture.
DT:	Make a healthy sandwich for yourself. Remember to be careful using kitchen equipment and make sure you have permission.	Make a healthy and unhealthy eating collage. You can draw the pictures or use old magazines and newspapers.	Draw and label a healthy meal. Can you name the ingredients used?
